Company Expands in Oakwood

Aerocom relocates to a larger facility in Hall County

Oakwood-Hall County, GA – Thursday, October 24, 2013:

Aerocom USA is the North American distributor for Aerocom GmbH, a German company who is a global leader in the manufacturing of pneumatic tube systems used in Healthcare, Manufacturing, Retail and Financial sectors. Aerocom USA currently has 15 employees at its Oakwood GA location and 24 total in the U.S. and Canada.

Aerocom held a grand opening today for its new office headquarters and training facility. Aerocom has been a part of Hall County for over 15 years in a leased space and now has further invested by purchasing a 13,000 square foot building located on Thurmon Tanner Parkway in Oakwood, GA. The expansion represents a \$1.2 million investment.

“Oakwood and the Tanner’s Creek Business Park is a great business location and we are happy to make it our home. We have easy access for transportation and a good choice of nearby restaurants and we are close to medical facilities and the University of North Georgia, Gainesville Campus,” said Aerocom Systems President Richard Beaty. “We expect to continue to grow and thrive with this area in the coming years.”

Aerocom GmbH was founded in 1952 and Aerocom USA was established in 1970. Aerocom has grown to become a leader in pneumatic tube system technology worldwide with more than 50,000 systems installed in 65 countries. Aerocom USA first located in Oakwood GA in 2000. Aerocom Systems, Inc., 4052 Thurmon Tanner Parkway, Flowery Branch GA 30542, 678-513-9660. www.aerocomusa.com
