City of Oakwood Debuts Facebook Page
Social Media will be another way to keep citizens informed

OAKWOOD, Ga. (Jan. 21, 2011) – To communicate better with its citizens and build a stronger sense of community, the City of Oakwood has launched a Facebook page.

Facebook is part of the City’s ongoing effort to stay in touch with the businesses and residents of Oakwood. Over the last three years, the City has introduced its new website and started publishing a community newsletter.

“Having open communication with our citizens has always been a priority of the City Council and staff,” Mayor Lamar Scroggs said. “Our Facebook page is another way we can let our residents know what is happening in every corner of our busy community and in return, they can let us know what’s on their mind.”

With just a click of the “Like” button, anyone with a Facebook account can be added as a fan of the “City of Oakwood.” The City of Oakwood Facebook page can be accessed at <http://www.facebook.com/pages/City-of-Oakwood/129033890486683> or by using the Facebook search option to reach the City of Oakwood page. Fans will be kept up-to-date on news,

important dates and events concerning Oakwood. In addition, the City of Oakwood Facebook page will include photos from community events and links to key City websites.
